## THE ICONIC

Cocktails that defined a moment in time.  
The original recipe and the real story.

### NOVEMBER'S ICONIC: THE COSMO

The Cosmopolitan sprung onto the scene in 1988, when bartender Toby Cecchini put it on the menu at Keith McNally's restaurant, The Odeon, an iconic, retro haven, Tribeca destination where guests went to see and be seen. But, of course, it wasn't until Sex and the City aired in the late '90s that the Cosmo launched into pop culture, topping the lists of bars across the country.
